Please provide detailed instructions as to what you want as a finished product or provide a sample.

What if anything have you already done to this fiber?

Yarns: Please note that fibers vary in how they spin and it may not be possible to produce a yarn that matches a sample exactly. Also know that we classify our yarns by yards per pound and therefore a yarn may appear thinner or thicker than what you were expecting. Washing a yarn before using it may also change it's appearance often giving the yarn more lift and body.
